

Artikelnummer:  
1003100200

\* = Durch Formkonizität bedingte Verjüngung  
Dimensions may deviate at the bottom due to conical form (mold deforming)

|                                                                                                                                                                                                                                  |            |       |      |                                                                                                                |  |                                    |  |                                              |  |                                                                                       |  |
